

Raising a concern or a complaint about one of our services

Primary Care Sheffield takes complaints very seriously

We aim to ensure that when you interact with one of our services, you are satisfied with your experience. If you feel you need to raise a concern or make a complaint, you will be treated courteously and promptly so that the matter is resolved as quickly as possible.

Raising a concern

If your issue is current, i.e. it relates to something happening now, please raise a concern to the senior member of our team there and then. The likelihood is that we will be able to resolve it immediately or within a short period of time. If not, then we encourage you to make a complaint.

Making a complaint on someone's behalf

We observe strict rules of confidentiality, which means that if you wish to make a complaint on someone else's behalf, we will need their permission for you to do so.

When will I receive a response to my complaint?

We will acknowledge your complaint within three working days, and we will aim to investigate it within 25 working days after this. During this time, you may be contacted by telephone or invited to meet with the person investigating the complaint so that we can gather more details from you.

If we are unable to investigate your complaint fully within the timescale specified, we will write to you, giving reasons for the delay and the likely timescale for when the investigation will be completed.

Once our investigation is complete, we will write to you to inform you of the outcome and any actions we have taken/plan to take.

How can I take my complaint further?

If you are not satisfied with our response, you have the right to take your complaint to the **Health Service Ombudsman**, who is independent of government and the NHS. The service is confidential and free.

If you have any questions about whether the Ombudsman will be able to help you, or about how to make a complaint, you can contact their helpline on **0345 0154033** or email **phso.enquiries@ombudsman.org.uk**

Further information about the Ombudsman is available at www.ombudsman.org.uk.
